

BUSINESS SYSTEM

Gold Rush Technologies' design of a business and productivity geared computer system. Running the Professional version of Windows 7 on an Intel Platform, this system is especially tuned to today's demanding business applications and CAD design and mapping. Intel® Socket 1155 for Intel® 2nd Generation Core™ i7 Processor/Core™ i5 Processor/Core™ i3 Processor. One year parts and labour warranty - supported by local certified technicians. We include all the setup of your software - all latest updates and drivers, and we even move data from your old PC onto your new one **AT NO EXTRA COST!** Unlike the Big Box stores who 'sell' you a setup package and fees for transferring data from an old PC.
